| Product Weight  | 5.104 lbs.                                                                                                                                      |
| Quantity        | Single                                                                                                                                          |
| Additional Info | Mount Type: Surface Mount Drilled Hole Diameter: 1/4" Compatible Fasteners: 1/4", 6mm, or #12 fasteners Drilled Holes: 25 Connection Points: 96 |

SAFETY INFORMATION

- Never exceed the Working Load Limit (WLL). The WLL is the maximum load the product is rated to handle in service.
- Inspect before every use. Remove from service if cut, worn, abraded, stretched, cracked, bent, corroded, heat-damaged or missing its identification tag or marking.
- Protect webbing, rope and chain from sharp edges and corners with edge protection.
- Cargo securement on commercial vehicles must meet FMCSA 49 CFR Part 393, Subpart I (aggregate WLL and minimum tie-down rules).
